will be hosted by

THE OHIO STATE
UNIVERSITY

District Science Days

Participants for the 2023 District Science Day will register via ProjectBoard. **Each of the 17 District Fairs will be held in-person.** Be sure to visit your District's Science Day website for event schedule and additional information that may apply for the event. A **virtual** District Science Day will be held as "District 18". Please check with your District to see if they have a registration deadline that is before February 28, 2023.

Registration site for all District Science Days: <https://projectboard.world/oas>

The deadline to have all required information in ProjectBoard for District Science Day is February 28, 2023.

District Science Days students eligible for State Science Day will have until April 2, 2023 at 11:59pm to register for State Science Day.

State Science Day Virtual 4.0

Judging for State Science Day will be virtual via ProjectBoard. Students can make changes, March 26-April 2, 2023, to any questions, photos, videos in ProjectBoard that were used at DSD before the State Science Day registration deadline. A non-refunded fee of \$60.00 per student is due at the time of registration. On April 24, 2023, State Science Day results will be announced, and the students of Superior rated projects will receive an invitation to the State Science Day Celebration and Symposium to be held at The Ohio State University on Saturday, May 13, 2023 in the Student Union. If invited, students and family members will need to RSVP by May 1, 2023.
