<https://ssd.ohiosci.org/dsd-registration/>

## District Science Days

Participants for the 2024 District Science Day will register via [ProjectBoard](#). Each of the 16 District Fairs will be held in-person. Be sure to visit your District's Science Day website for event schedule and additional information that may apply for the event. A virtual District Science Day will be held as "District 18".

To begin a project or to prepare to submit a project for the 2024 District Science Day students must **create or re-activation** last year's account in [ProjectBoard](#) by **December 15, 2023**. They will need a class code from their participating classroom teacher. If they are an independent student not connected to a classroom educator or afterschool facilitator, please contact the Ohio Academy of Science for your code at: [info@ohiosci.org](mailto:info@ohiosci.org):

<https://projectboard.world/oas>

The *registration* deadline to have all required information in [ProjectBoard](#) for submission to the District Science Day is **February 26, 2024**.

## The 2024 District Science Day registration fee is \$30.00 per student\*

Registration fees can be paid by credit card here: <https://form.jotform.com/OhioScience/DSDpayment>

Schools wishing to pay for their students must contact the District Science Director before the February 26, 2024 deadline to confirm the school is paying the student registration fee. The school will need to provide a list of students. Registrations are NOT complete until payment is confirmed.
